To Postal Regulatory Commission,

I write to Appeal to you to keep  
our Advanced Post Office open and  
available for daily transactions.

POSTAL REGULATORY  
COMMISSION  
OFFICE OF THE SECRETARY

Driving to the nearest town, 14 miles  
away, is not feasible when northwest  
Iowa has snow and ice on the  
roads. You are trying to make it  
very inconvenient.

I really don't believe you will  
save money by closing our Post  
Office. How about checking the  
benefits being made to in Washington  
as well as nice pensions for government  
employees.

Thank You
